TIMELESS BEAUTY. CUTTING EDGE TECHNOLOGY.

Make a strong statement with the powerful looks and sleek design of the Cordevalle conference room table. Its beauty will impress any discriminating customer and its access to the latest conferencing technology will keep you on the cutting edge.

The Cordevalle comes with a unique hollow drum base design that allows for easy wiring from the floor to the surface, along with fully customizable power/data access ports. A table-length matching trough provides an elegant wire management solution.

A powerful presence in any boardroom, the Cordevalle table is exclusively available through 247 Workspace, Inc.
