CLASSIC LINES. MODERN WORKSTYLE.

Bring understated elegance and state-of-the-art technology to your boardroom with a Darmani table.

The Darmani seamlessly integrates classic design lines with the latest technology features. A rich cherry finish, burl inlay and race-track shape give the Darmani timeless beauty. Technology is handled gracefully with customizable power and data access ports, drum bases with centralizable data access doors and a table-length trough for easy wire management.

A powerful presence in any boardroom, the Darmani table is exclusively available through 247 Workspace, Inc. We can assist you with design, planning, installation and sourcing of complete office furniture solutions.
