

○○○○● 247WS-S02 TASK CHAIR

v.1.0

UNIQUE FEATURES

- ❖ Stylish Angled Base With Dual Wheel Carpet Casters
- ❖ Thick, Padded Mesh Seat
- ❖ 2-to-1 Synchro Tilt Control
- ❖ Adjustable Tilt Tension
- ❖ Height Adjustable Arms
- ❖ Air Grid Back With Built-In Lumbar Support

STACKABLE GUEST CHAIR

The S02 is a compact, cost-effective chair suitable for task as well as desk and conference use. It features an air-grid back which allows free flow of air to keep the user comfortable. The mesh seat is both comfortable and ergonomic utilizing a unique fabric design and a contoured seat pan. The unique sync tilt control allows the user to recline, yet remain grounded. Add height adjustable arms and you have a chair capable of filling many roles in your office!
