HARDWOOD GUEST CHAIR

Elegant yet simple, this fine chair offers a contemporary style that will enhance the look of any interior. It's as suitable for a lobby and a conference room as it is as a guest chair in an executive office! Sturdy construction with glued and fitted joints as well as a braced seat pan will assure you this chair is here for the long run. At a price that fits any budget, it should fit nicely into any place you want an elegant look and a comfortable seat for your guests.
